Hot Lunch is Thursday, January 28th! We are serving Quesadillas & Veggies!

We have a new, easy fillable online health check form that you fill in the name, answer the Yes or No questions, sign and date (electronically). It takes less than a minute to fill out and will help us save on paper! You can find this Health Check Form on either the Home page, New/Events page, or Covid-19 page. Also, added to our Home page is upcoming calendar events along with our Vision & Mission Statements.

We have a new fundraiser that will be starting next Friday called Mom's Pantry! We have received our catalogues and order forms. This is such a unique fundraiser with a ton of different items/products to purchase! It is good quality food and you won't want to miss out!!

Have an amazing weekend!!
