SURGERY – Mr. Savenye had a successful surgery and is home recovering. He will be gone another week (as per doctor's orders) and we hope to see him after Thanksgiving! On a related health note, the office will be closed as Mrs. M. (Secretary) will be away on Monday for a medical appointment down island. The phone will be forwarded to the school cell, and Mr. Savenye will be able to help answer your questions. If you ring the door bell and no one is able to answer, please knock on Mr. Savenye's door to the right and Olivia can assist you.
